CLINICAL & TRANSLATIONAL
SCIENCE INSTITUTE

UTAH CTSI STARS T32 TRAINING PROGRAM

U HEALTH
UNIVERSITY OF UTAH

APPLICATION ANNOUNCEMENT

The Utah CTSI STARS T32 Training Program welcomes applications for pre-doctoral positions.

The Utah CTSI STARS Program provides pre-doctoral training opportunities in translational research across 3 spheres of emphasis (Discovery, Demonstration, and Dissemination) that together define our STARS, or Spheres of Translation Across the Research Spectrum.

We would especially like to encourage applications by those who are underrepresented in clinical and translational science.

Full eligibility criteria, including anticipated start date and selection notification, can be found on our website below and application can be accessed with your link in the flyer.

Applications due April 4th 11:59p.m. MST

Please note that funding is contingent upon the T32 grant notice of award which we have not yet received.
